SeaTREK[®] Underwater Walk

This excursion is the next best thing
to walking on the moon!

SeaTREK is as simple as...

1. Briefing
2. Descend
3. Walk underwater!

As long as you can walk and breathe, you can SeaTREK!

- No previous experience necessary.
- You will remain dry from the shoulders up; your hair does not get wet, your make-up won't run, and you can wear prescription glasses.
- Your certified SeaTREK Guide and Safety Staff will walk with you along a pre-determined trail filled with colorful coral and schools of beautiful fish.

- Nearly 2 million guest experiences since 1999
- Unparalleled safety record
- Worldwide standards, training, and operational procedures
- Guide / Safety Staff certification and professional liability insurance coverage

For specific details regarding the SeaTREK program, contact:
